

MANAGEMENT MEMO

SUBJECT: DISCOUNT AIRFARES FOR OFFICIAL BUSINESS	NUMBER: 00-04
	DATE ISSUED: 06/01/00
	EXPIRES: 06/01/01
REFERENCES Management Memo 99-05	ISSUING AGENCY: Department of General Services

This Management Memo announces the extension of the contracts between the State of California and the following airlines providing discount (YCAL) airfares for official state business:

Southwest Airlines
United Airlines

The State of California authorized a price increase to not exceed the change in the Consumer Price Index (CPI) for the previous calendar year and the prior calendar year. Contracted rates are valid from July 1, 2000, through June 30, 2001. A list of city-pairs and the amended rates are attached. These fares are unrestricted and not subject to limited seating. The amount reflects a one-way fare.

For destinations without a contracted fare, we suggest using an alternate airport whenever possible. For example, because Sacramento-Santa Ana has no contracted rate, flying Sacramento-Los Angeles or Sacramento-Ontario and driving to Santa Ana (Orange County) would result in considerable savings.

A summary of both airline contracts is available on the Department of General Services homepage on the Internet at www.ofa.dgs.ca.gov, or by contacting Sylvia Tang, Statewide Travel Program Administrator at the Office of Fleet Administration, 802 Q Street, Sacramento, CA 95814.

If you need additional information or assistance regarding the airline contracts, please contact Ms. Tang at (916) 327-2068.

CLIFF ALLENBY, Interim Director
Department of General Services
